

Vidhi Bhanushali.

Product Designer · UI/UX · Computer Engineer

Final-year Computer Engineering student and Product Designer with three internships across enterprise (**Deloitte**) and consumer (**FashionTV**) products. Sole designer on Deloitte's VW Automation team, designing for global automotive brands. Recently shipped **F Real Estate by FashionTV** — a live B2B brand-licensing platform — leading the component system and developer handoff. Comfortable across the full stack: *Figma to React*.

01 / EXPERIENCE

3 roles · 21 months

Product Designer Intern at Deloitte India

Sept 2025 – Present

MUMBAI · ON-SITE

- **Sole Product Designer** on a cross-functional team of 5 (Full-Stack Engineers, ML Engineer, Solutions Architect) — driving end-to-end design for enterprise automation.
- Drove a **95% reduction** in document processing time (20 min → <60 sec), **~35%** drop in error rates, and **50%** cut in operator training time — via a "Critical Fields First" layout and AI-driven auto-flagging.
- Designed **10+** production-ready screens and workflows for the VW Automation Project, translating complex business requirements into operator-friendly interfaces.
- Contributed to enterprise solutions used by **5 global automotive brands** — Volkswagen, Škoda, Audi, Porsche, Mercedes-Benz — plus internal tooling for Bajaj and Shree Cement.
- Conducted usability sessions with internal operators across multiple modules, surfacing friction points that shaped the audit flows.
- Built lightweight Python components during implementation to keep design intent intact through to production.

UI/UX Designer Intern at FashionTV India

Jun 2025 – Sept 2025

MUMBAI · ON-SITE

- Designed the component library and led developer handoff for **F Real Estate by FTV**, — a B2B brand-licensing platform now **LIVE** at [frealestatebyftv.in](#), serving 5 developer-client brands (Merlin Group, Terra Casa, Danube, SBP, Glenworld).
- Shipped **9 page templates** from a reusable Figma component system; owned **4 templates** end-to-end (Press, Project Detail, Statistics, B2B Contact). Senior designer reviewed and signed off.
- Front-loaded specs, breakpoints, and edge-case documentation — keeping most templates to a **single review cycle** through to production.
- Contributed UI to the FTV+ subscription flow and homepage revamp under brand-led direction.

UI/UX Designer Intern → Junior Designer at Ocufox Technologies

Sept 2024 – Jan 2025

MUMBAI · ON-SITE

- **Promoted** from Intern to Junior UI/UX Designer based on shipped contributions.
- Led end-to-end redesign of two brand websites — Ocufox and parent company Green-2-Green — modernizing visual identity across both.
- Built a Figma component library and auto-layout system; authored the team's default handoff specs and annotation patterns.
